

PHOENIX DESIGNER DECT TELEPHONE

Benefits of Digital Cordless DECT

Digital Enhanced Cordless Telephone or DECT is the European standard for Digital Cordless Telephony operating in the reserved frequency band of 1.9GHz free from interference from other devices. This is a licence-free band for DECT users only, so there are no messy licence fees to pay.

PHOENIX DESIGNER DECT TELEPHONE

Call Routing DECT 18866

A special version of the Phoenix Designer DECT telephone is now available which will selectively route calls over the 18866 network to save on your telephone calls compared to BT's standard rates. This telephone is for users have already registered their telephone line with 18866. If you have not registered for this service then you will hear a message telling you to register with 18866. You can find out more about the service offering from 18866 via their website www.call18866.co.uk. Please note that Inventeer Limited is not endorsing this service, but is merely providing a telephone for users who wish to automatically route their calls via this service.

The user can change the routing prefix from 18866 to another prefix of their choice using a "triple #" command. In addition, a "pass through" mode using the prefix 121 is provided to allow the user to put their calls through to their telephone line provider without routing.

The following numbers will be routed over Call18866 at all times

- 01nn...nnn
- 02nn...nnn
- 03nn...nnn
- 04nn...nnn
- 06nn...nnn
- 07nn...nnn
- 0845...nnn
- 0870...nnn
- 00nn...nnn (i.e. All international calls)

NB International calls to countries not supported must be dialled using the pass-through prefix of 121-00nn...nnn

The following numbers will NOT be routed over Call18866 and will be passed through to your telephone line provider (BT or other CPS service) at all times

- 1nnn...nnn
- 2nnn...nnn
- 3nnn...nnn
- 4nnn...nnn
- 5nnn...nnn
- 6nnn...nnn
- 7nnn...nnn
- 8nnn...nnn
- 9nnn...nnn
- 05nn...nnn
- 08nn...nnn (except 0845 and 0870)
- 09nn...nnn
- 121-nnn...nnn (pass through mode prefix)

**Inventeer Limited
PO Box 2680
Purley, CR8 2XZ**

Please specify Prefix 18866 Version (for BT Lines) Prefix 08081707788 Version (for Cable Lines)

Cheques to be made payable to '*Inventeer Limited*'. Please remember to add **£6.99** postage per phone.
